

Here's a photograph of a student driver from East Elgin Secondary School attempting to parallel park! This photo was published in the St. Thomas Times-Journal March 4, 1967 with the caption:

"Parallel Parking - It is essential that student drivers learn how to park properly between two cars on busy streets. Here Gerald Hooghien backs into an empty space while instructor Don Fick keeps a lookout."  
Photo is from the St. Thomas Times-Journal fonds
